3. How the app looks like:

Once you log in, the app won't have any subscriptions because the user did not add any and there are no data. To start using the app please follow the next instructions.

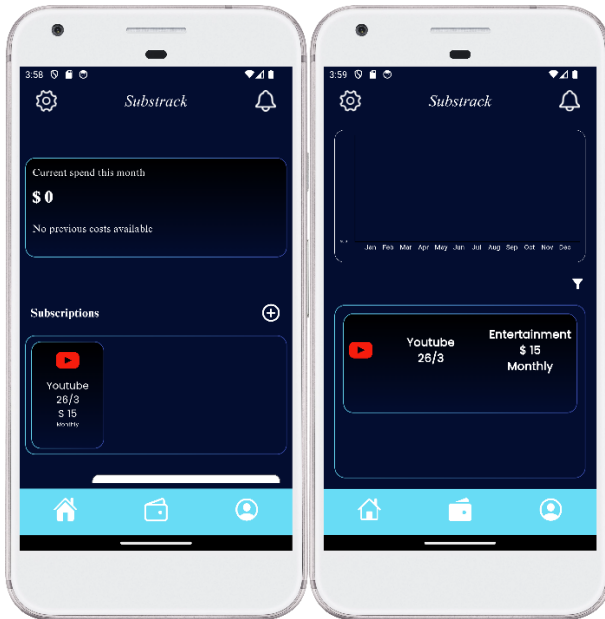

4. Adding a subscription:

1. Click on the (+) sign to add a subscription.
2. Fill in the subscription information.
3. Click on Confirm

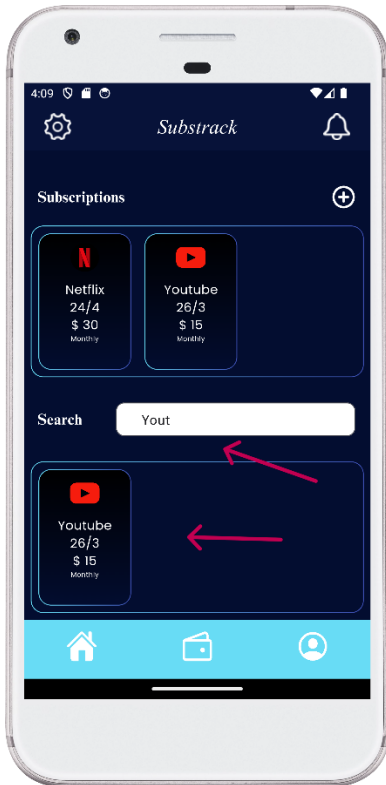

Subtrack

Now the subscription is added in both 'Home' and 'Wallet' screens.

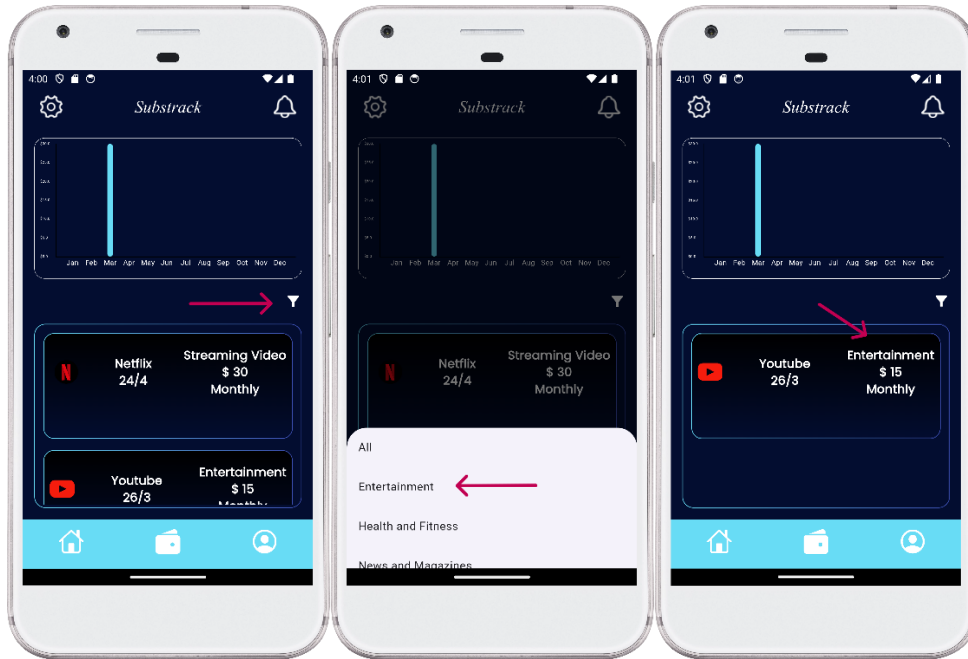

5. Search for a subscription:

Simply type the subscription name to search for it.

6. Filter subscriptions by category:

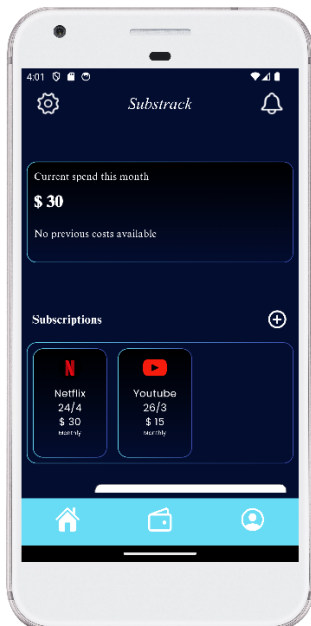

1. Click on filter icon.
2. Choose the category you want.

7. Spending this month:

Home:

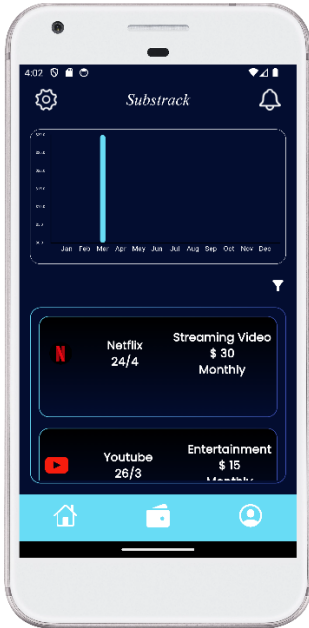

After you pay for a subscription and the due date gets updated, the cost of this subscription is shown in the square above, this shows how much the user spent on subscriptions this month, and compare it with last month's spendings.

Substrack

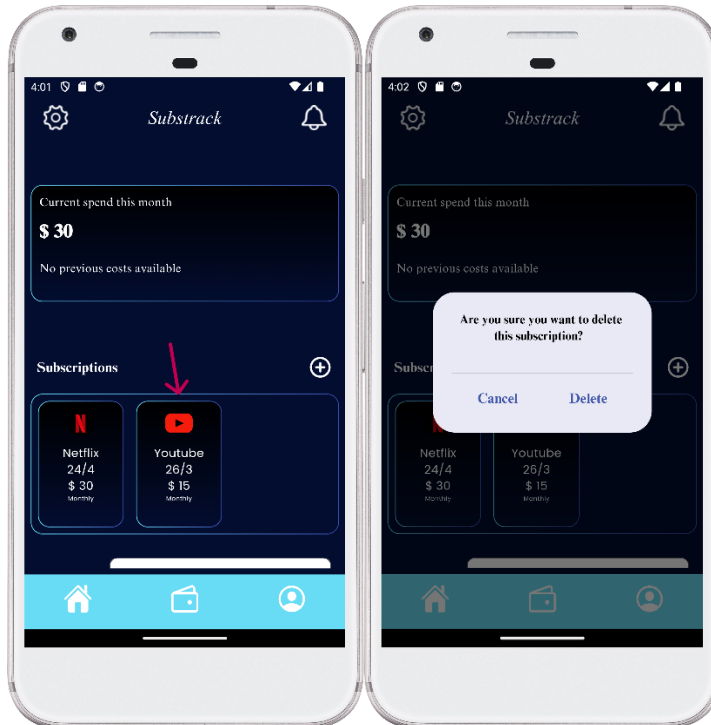

Wallet:

Also in wallet screen, the chart is updated to show the user total spendings on subscriptions for the whole year.

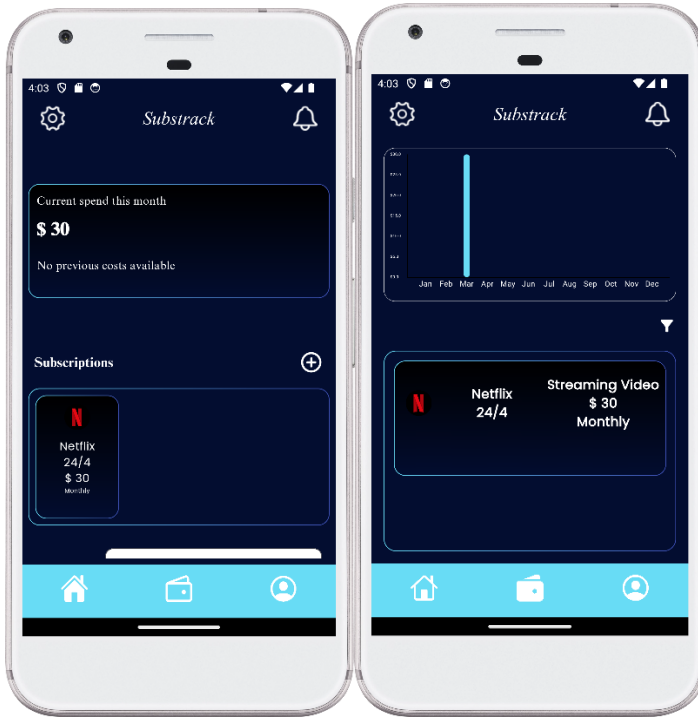

8. Deleting a subscription:

1. Click on any subscription you would like to delete.
2. Click on 'Confirm' to delete, or 'Cancel' to cancel.

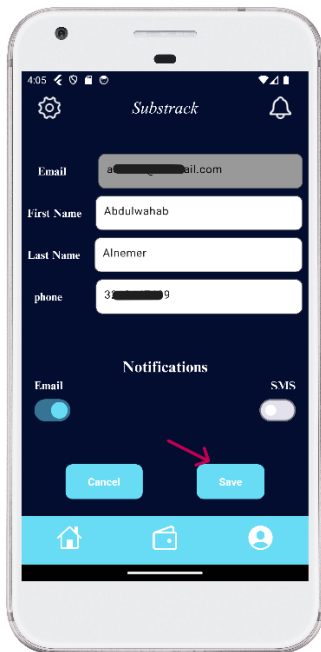

Subtrack

Subscription is deleted in both 'Home' and 'Wallet' screens.

9. Profile:

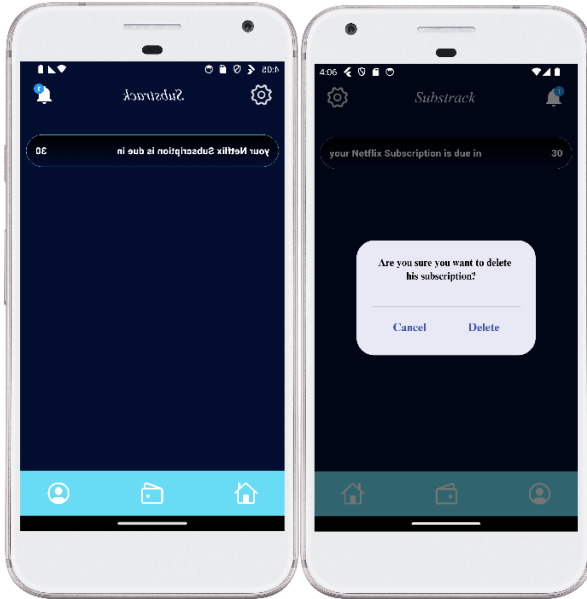

To update your profile information, simply update any information you would like to change, and click 'Save'.
