

SUBSCRIPTION MANAGEMENT AND TRACKING APP (MILESTONE 6)

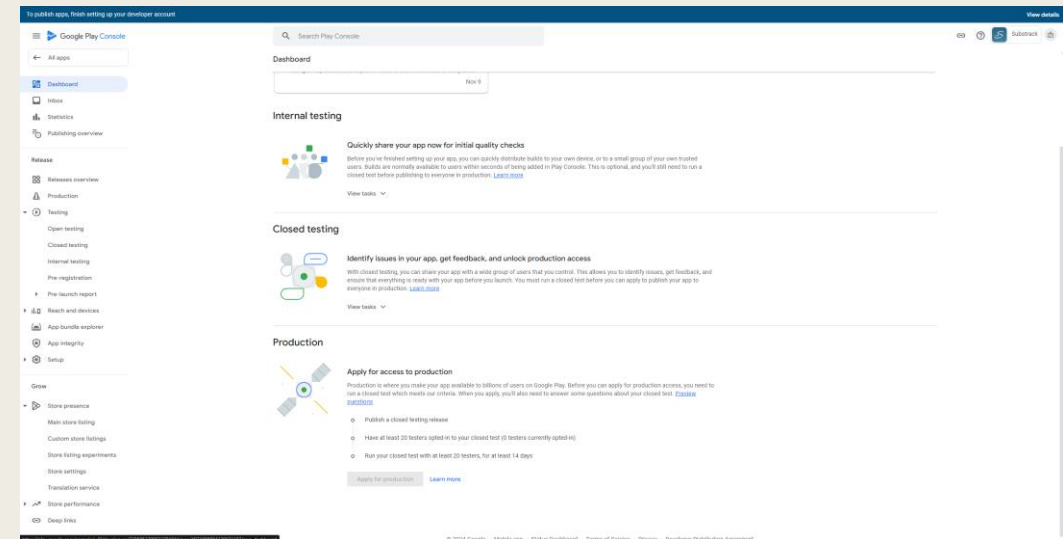

Team: Abdulwahab Alnemer, Yosef Alhedr

Faculty Advisor: Khaled Slhoub

App Stores

- Created developer accounts on both stores
- Started the review process on Google Play
- Could not launch the app on Apple store

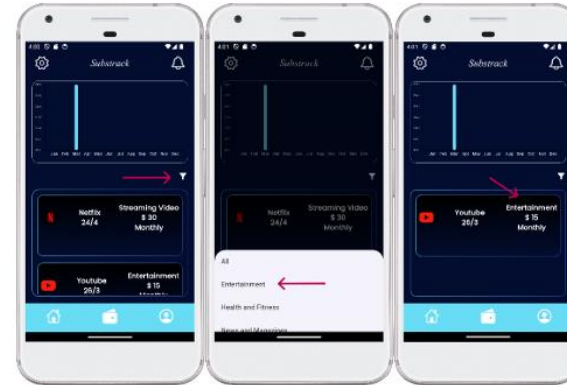

Manual

- Created a User Manual

Subtrack

6. Filter subscriptions by category:

1. Click on filter icon.
2. Choose the category you want.

7. Spending this month:

Home:

After you pay for a subscription and the due date gets updated, the cost of this subscription is shown in the square above, this shows how much the user spent on subscriptions this month, and compare it with last month spendings.

Demo

Thank you !
